## Calkilo-AI: Powered Agent, Meal Planning & Recipes

Hey, What's Up? Get personalized meal plans tailored to your goals, preferences, and dietary restrictions.

### Analysis and AI suggestions

Monitor your weight, measurements, and nutrition goals. Get personalized AI suggestions to stay on track and optimize your diet.

### Chat & AI Agent

Chat with support at any time, make changes to meals, receive recipes for different foods & any help with your diet.

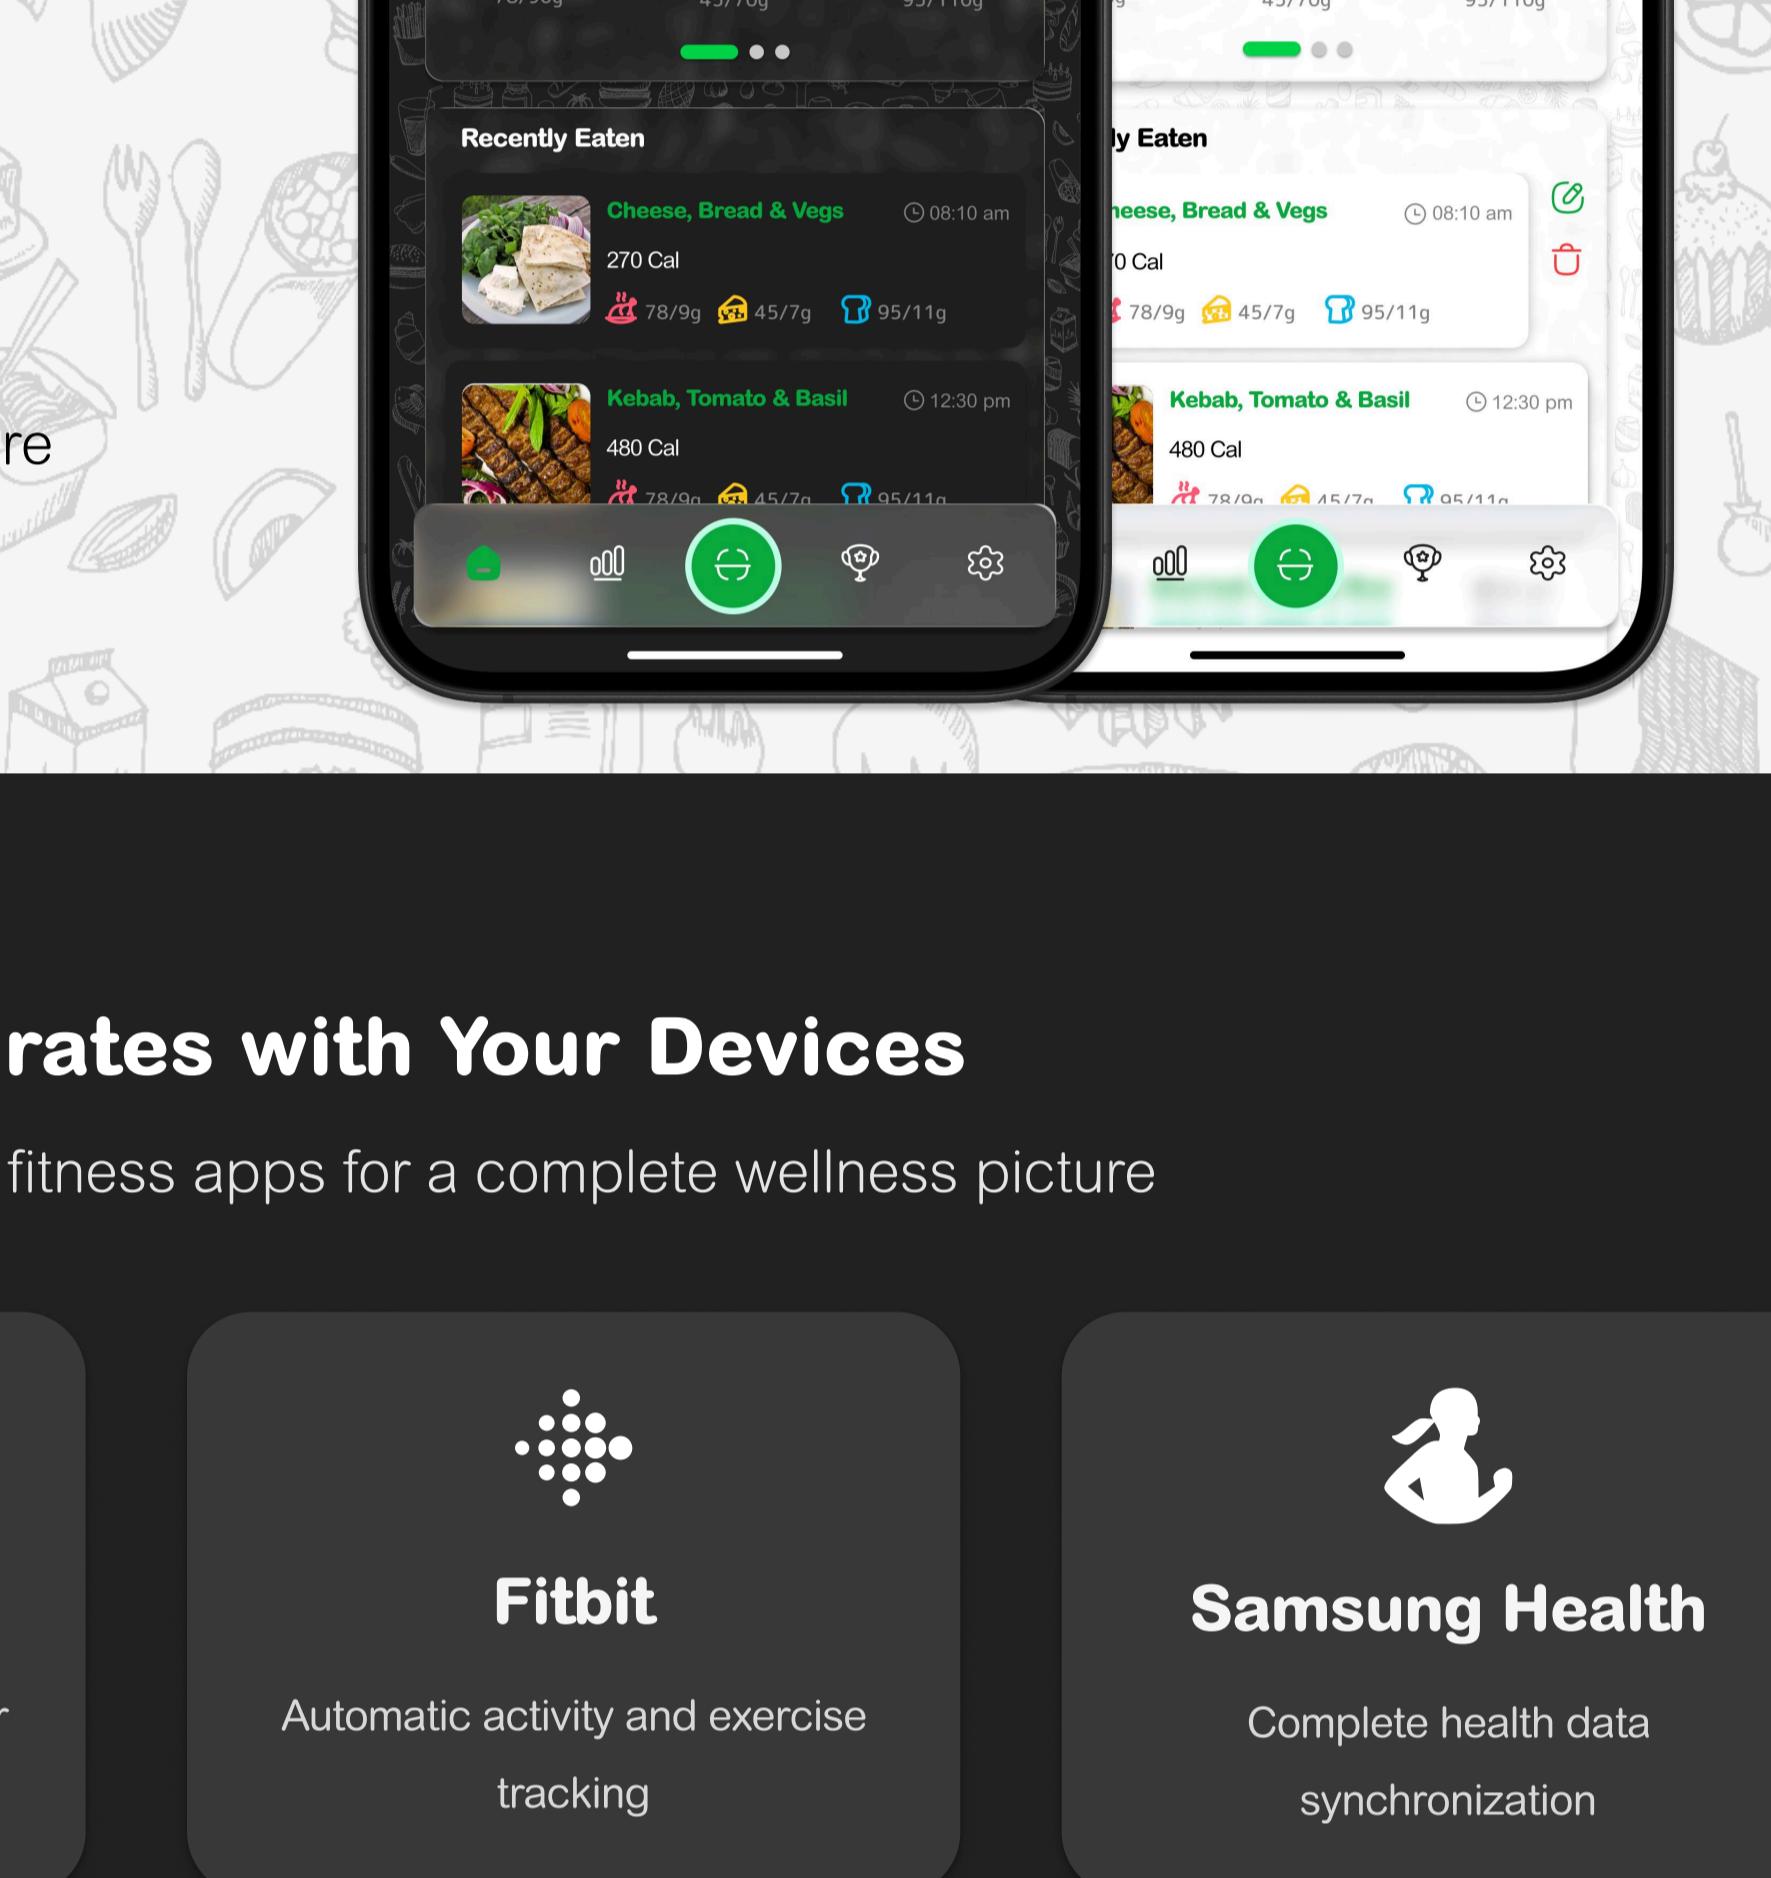

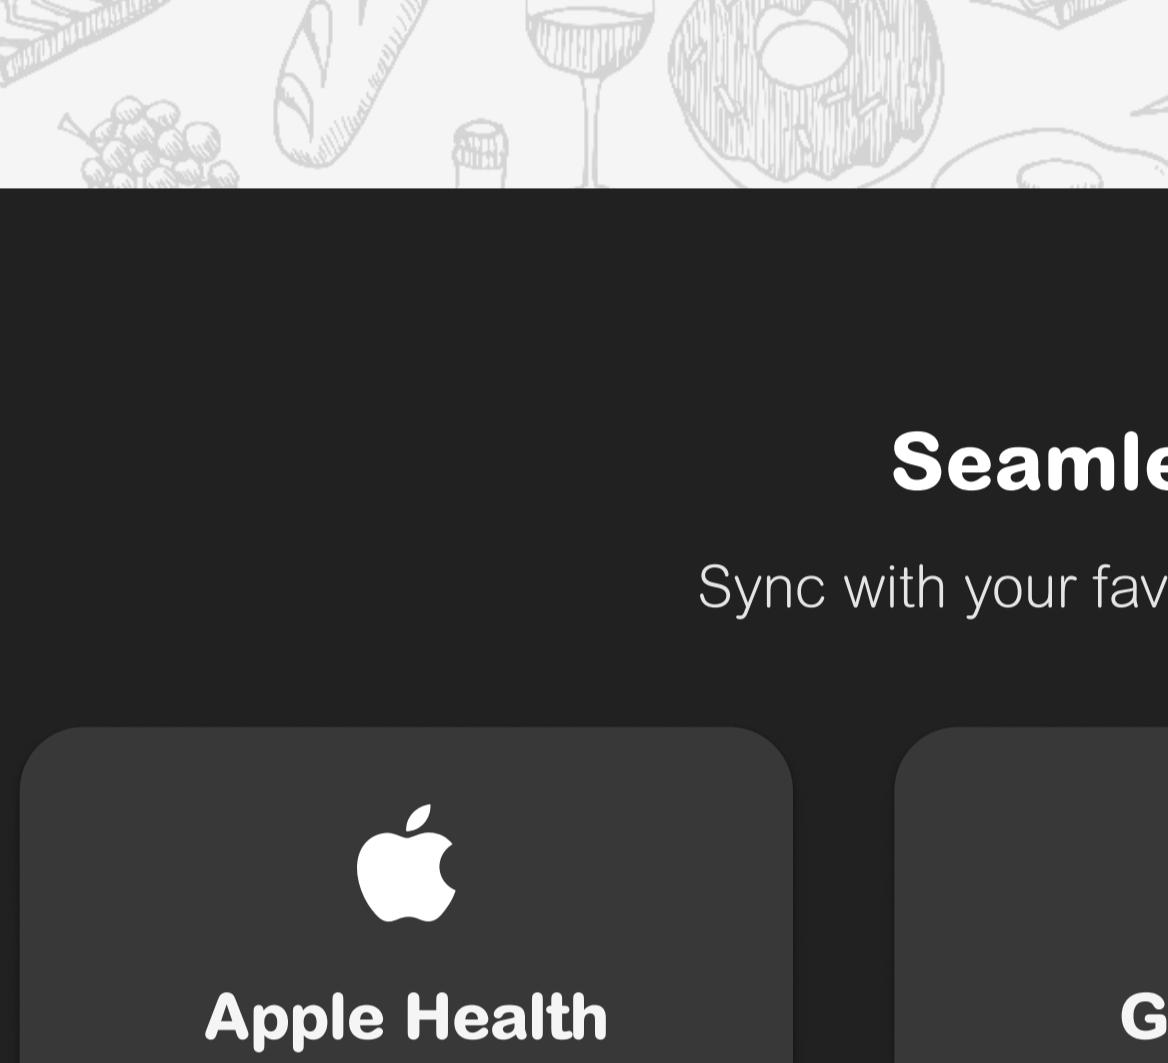

### Personalized Goals

Set and track personalized health goals with AI-powered recommendations tailored to your lifestyle and preferences.

### Instant Photo Analysis

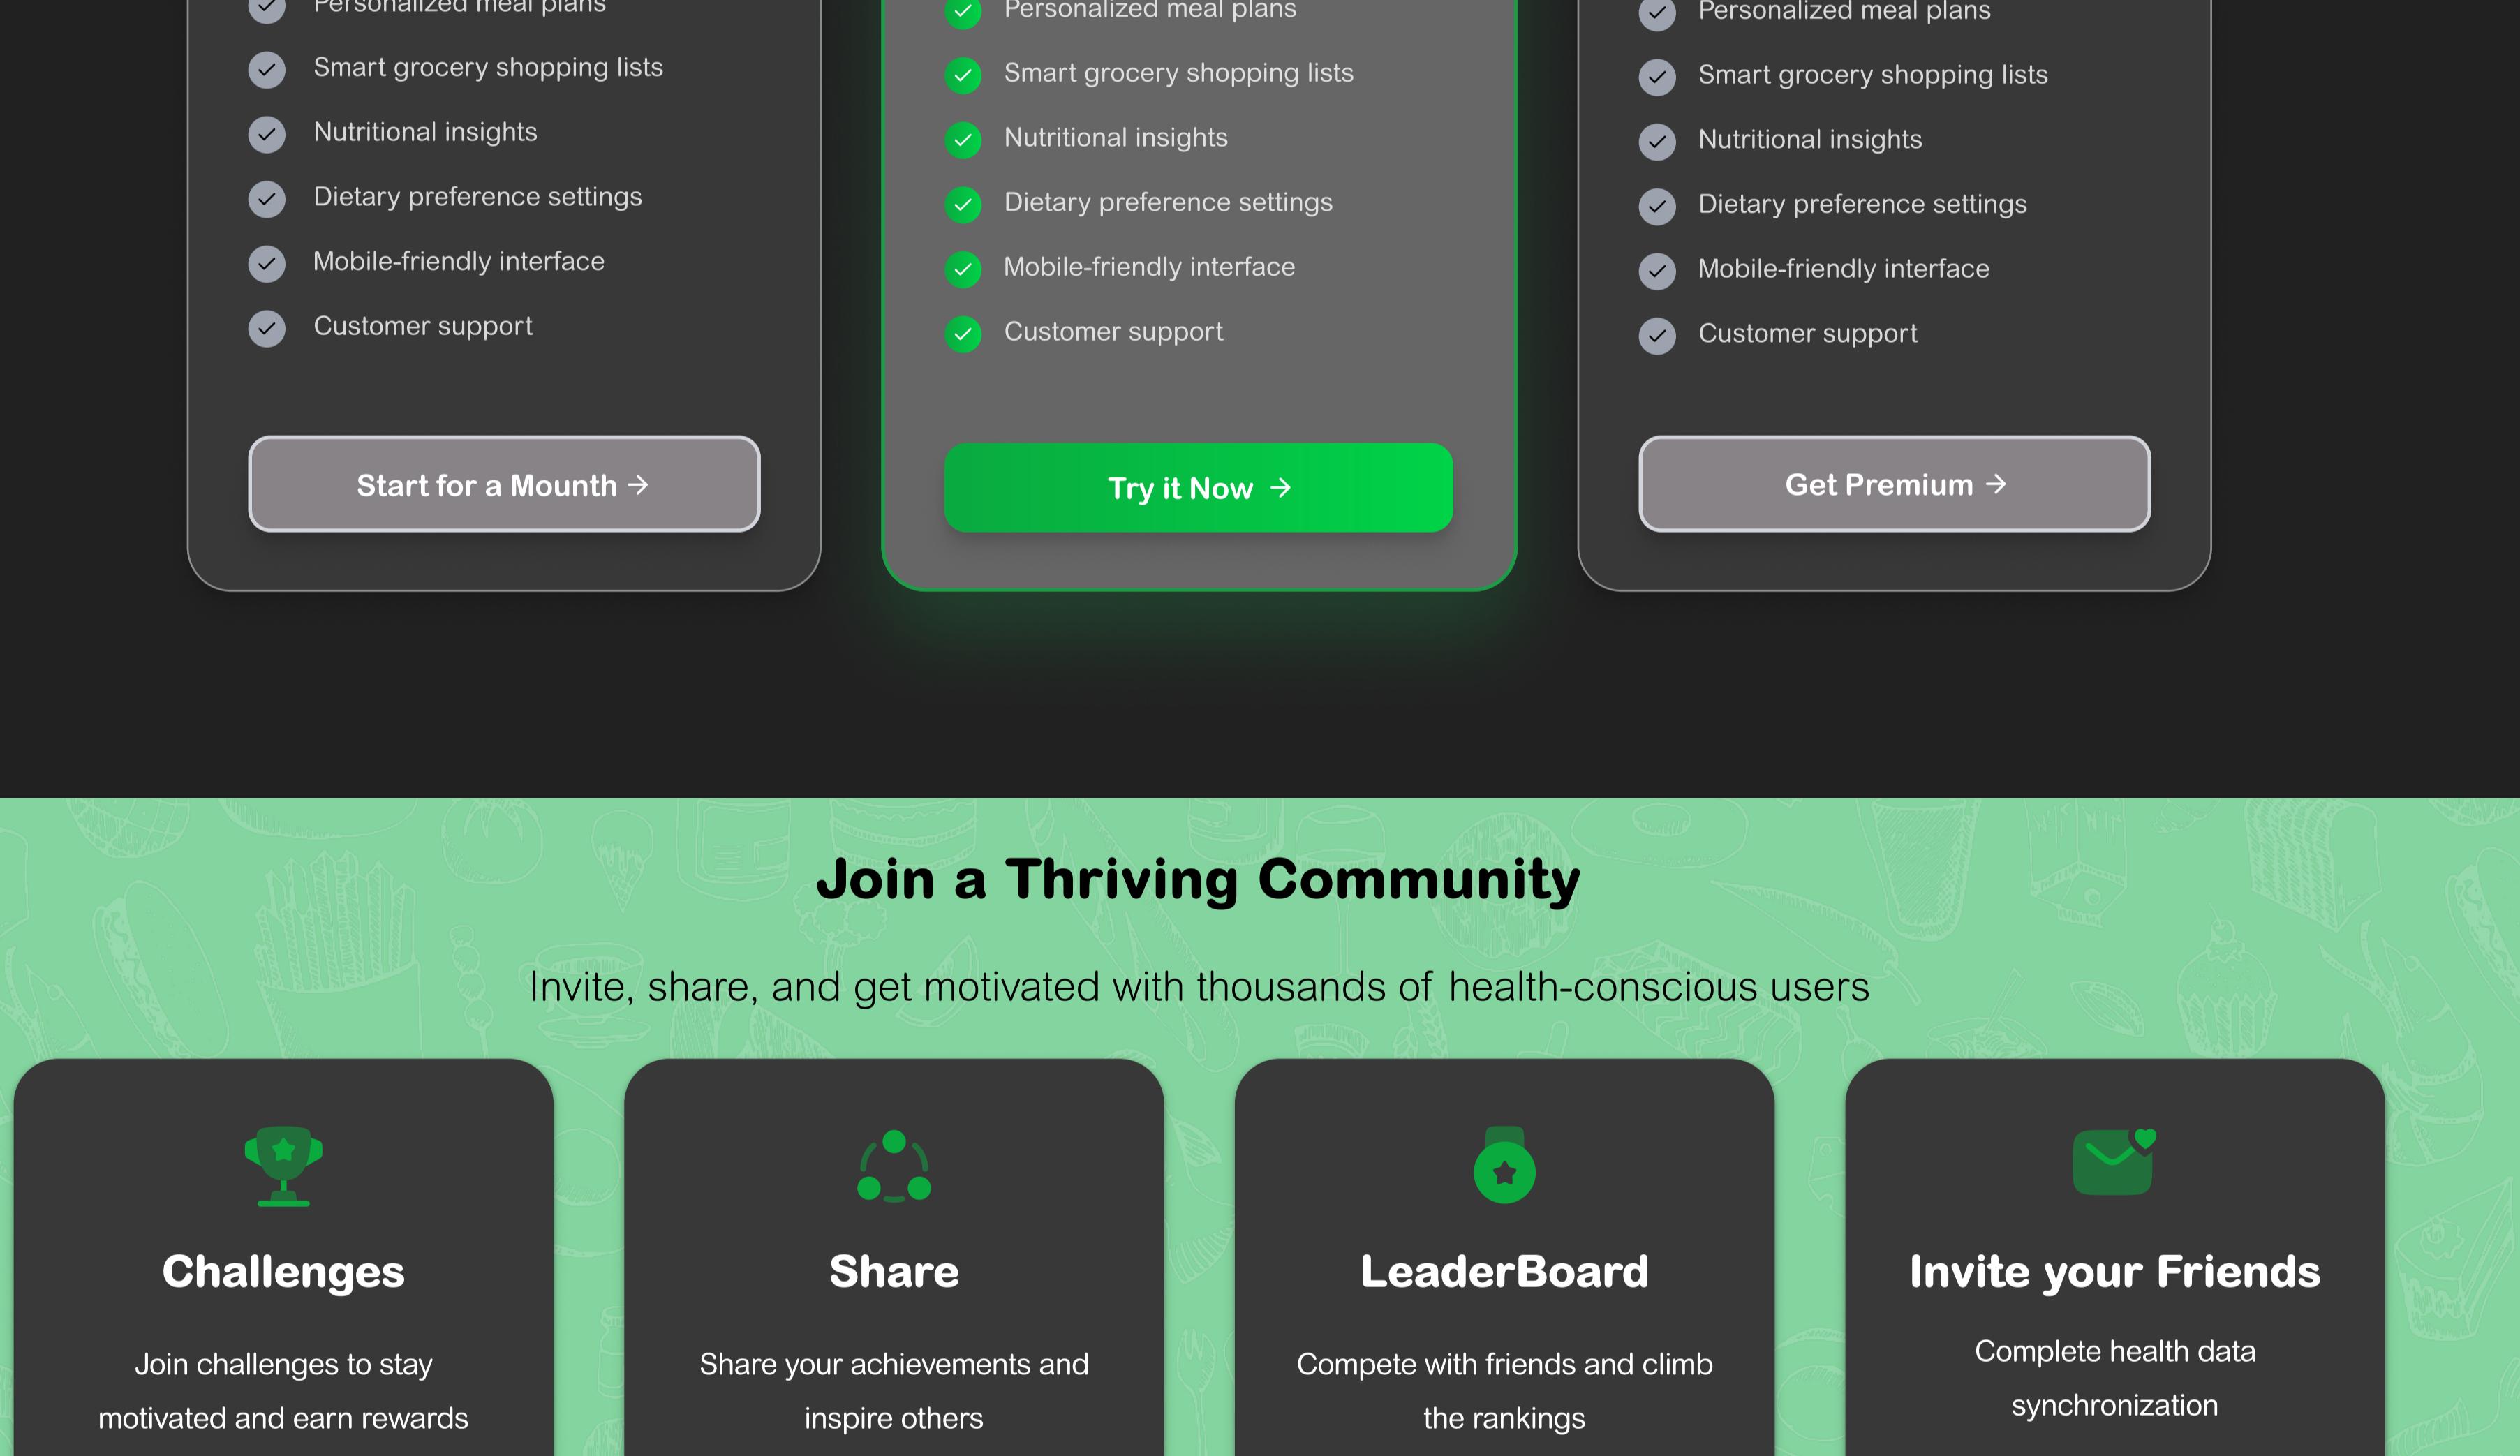

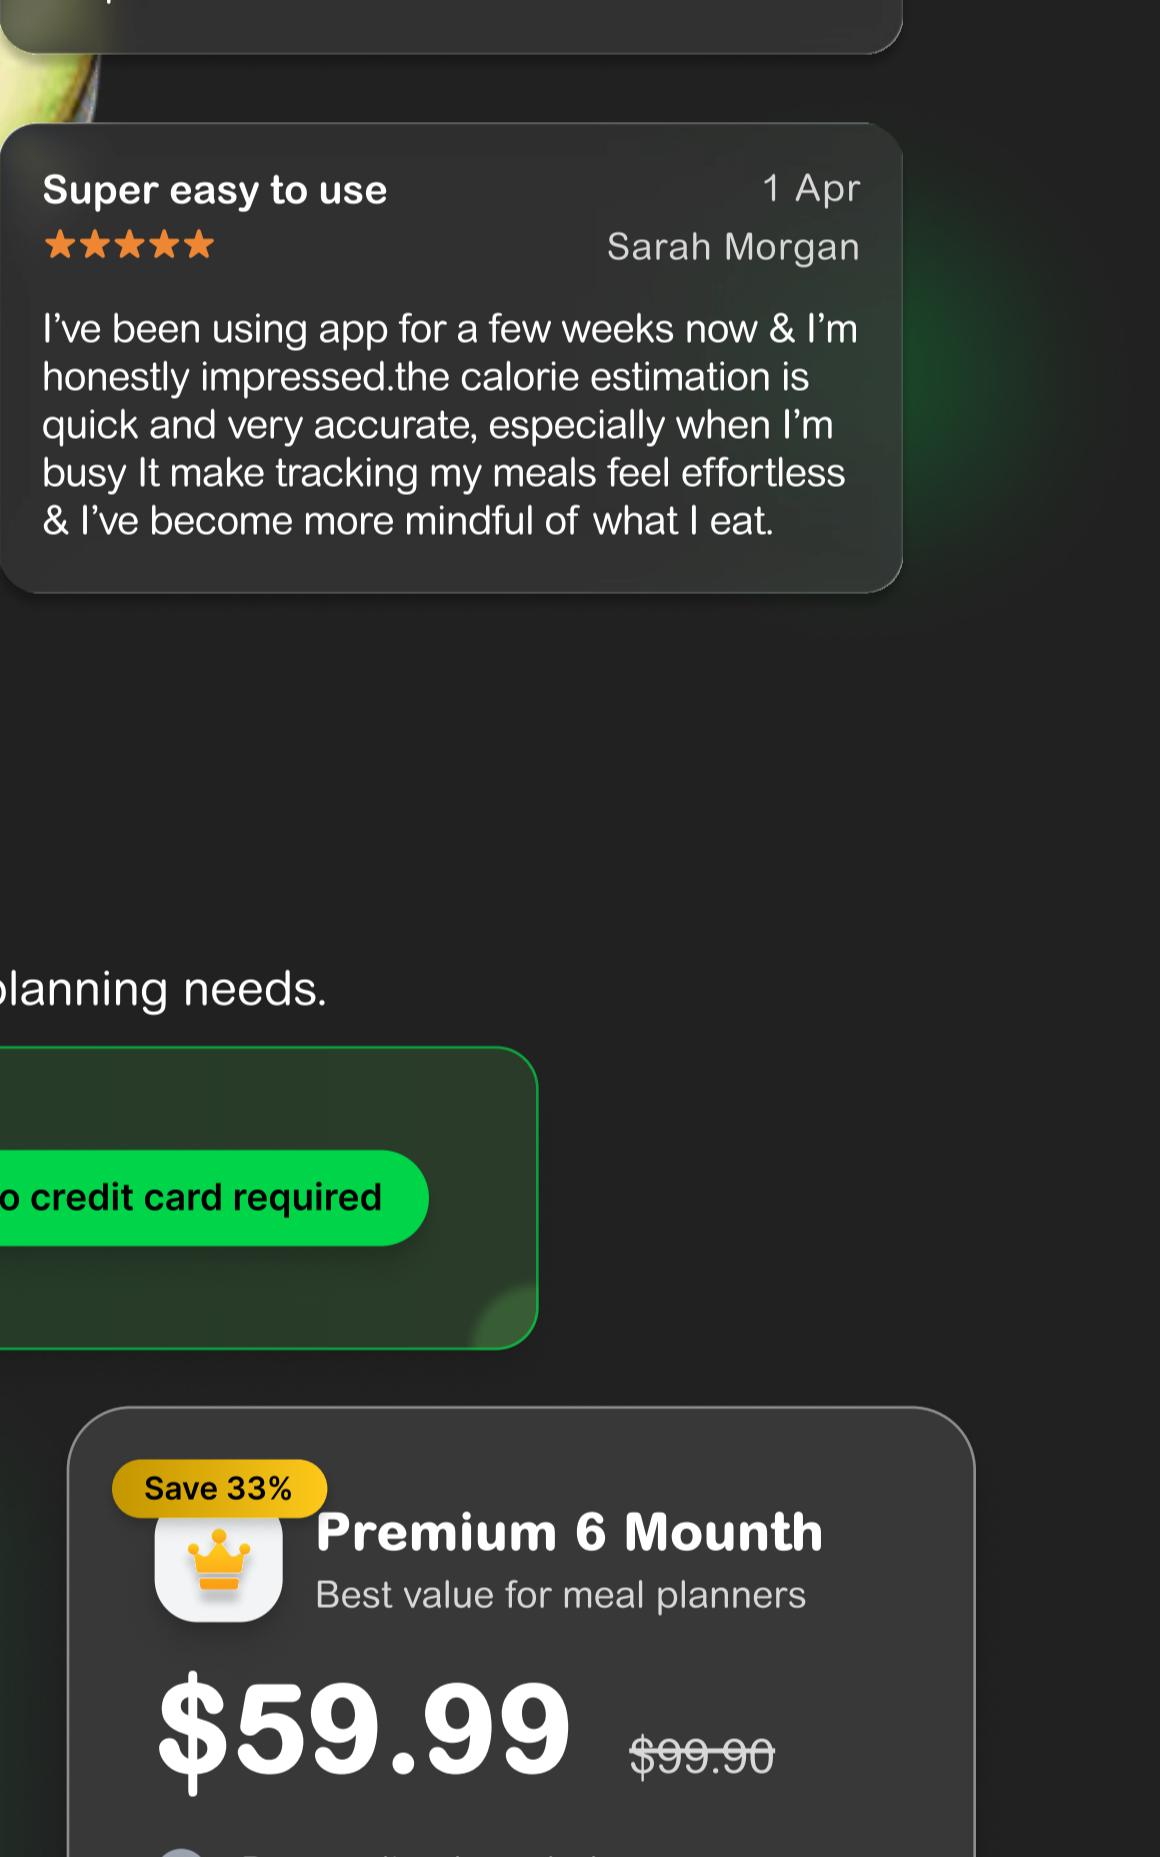

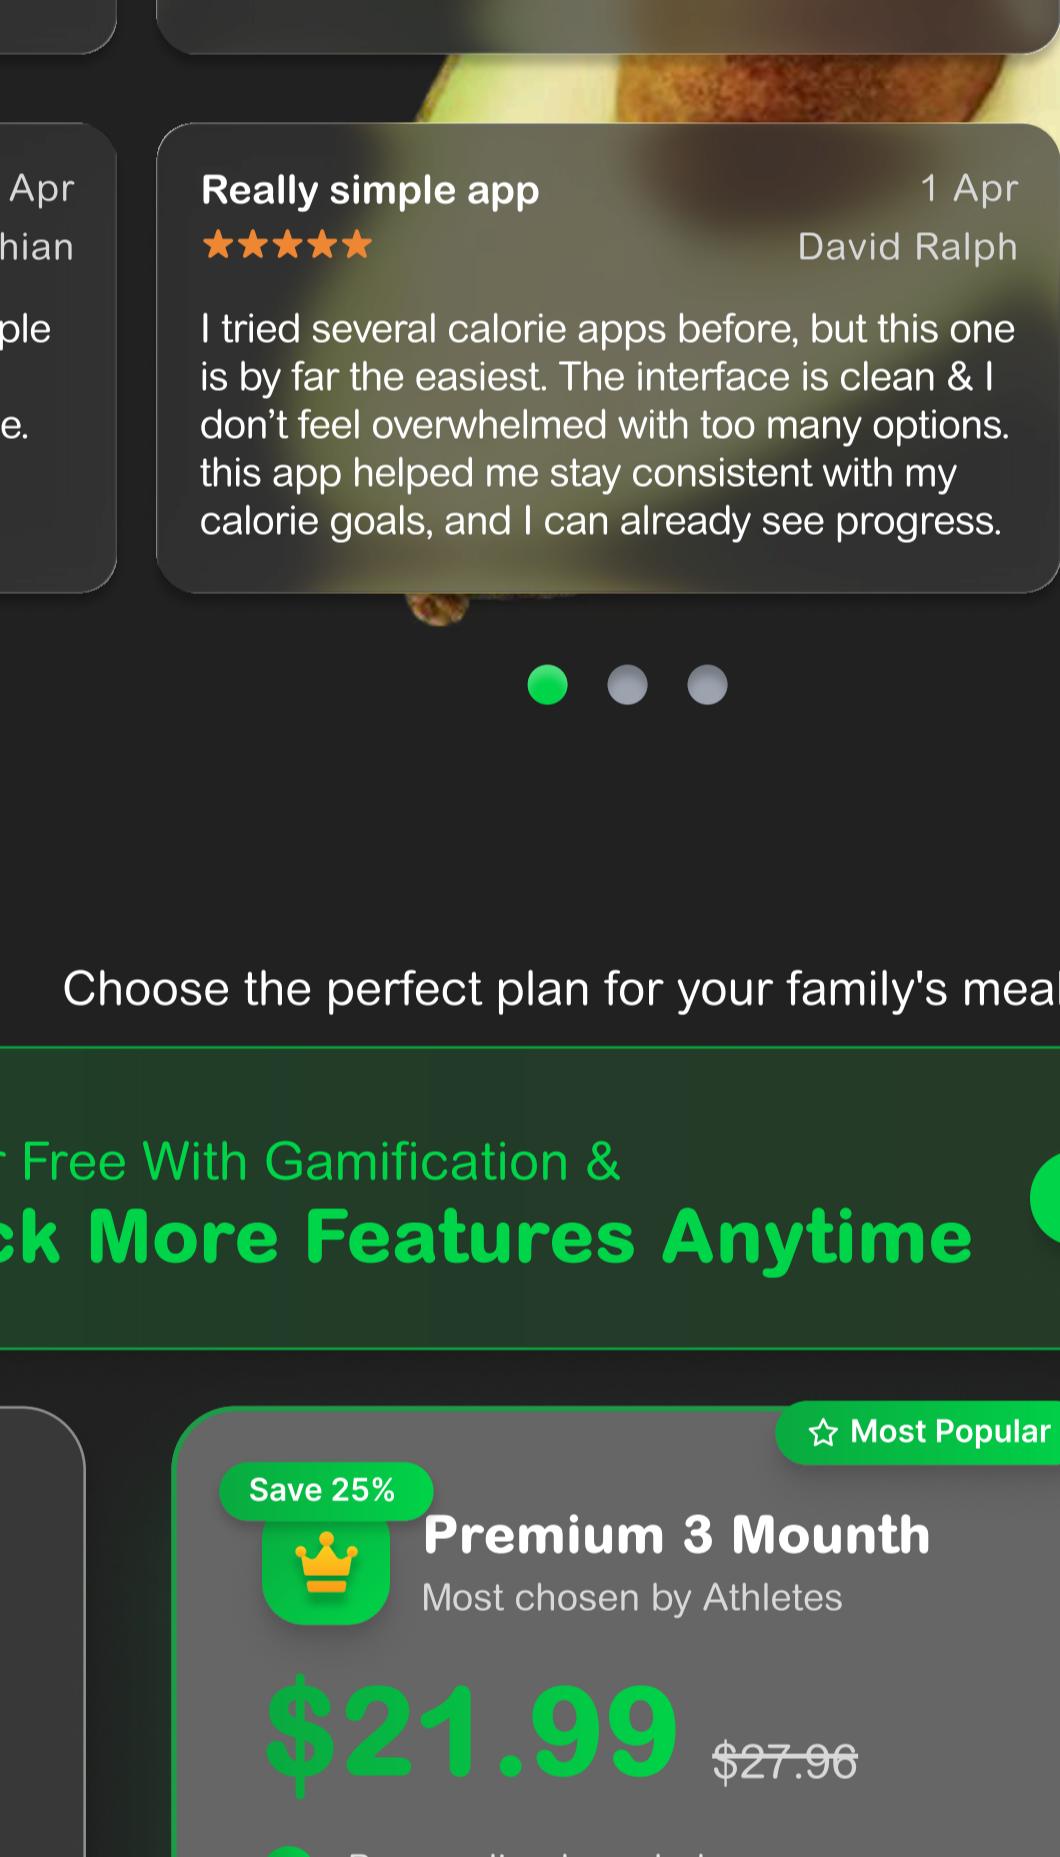

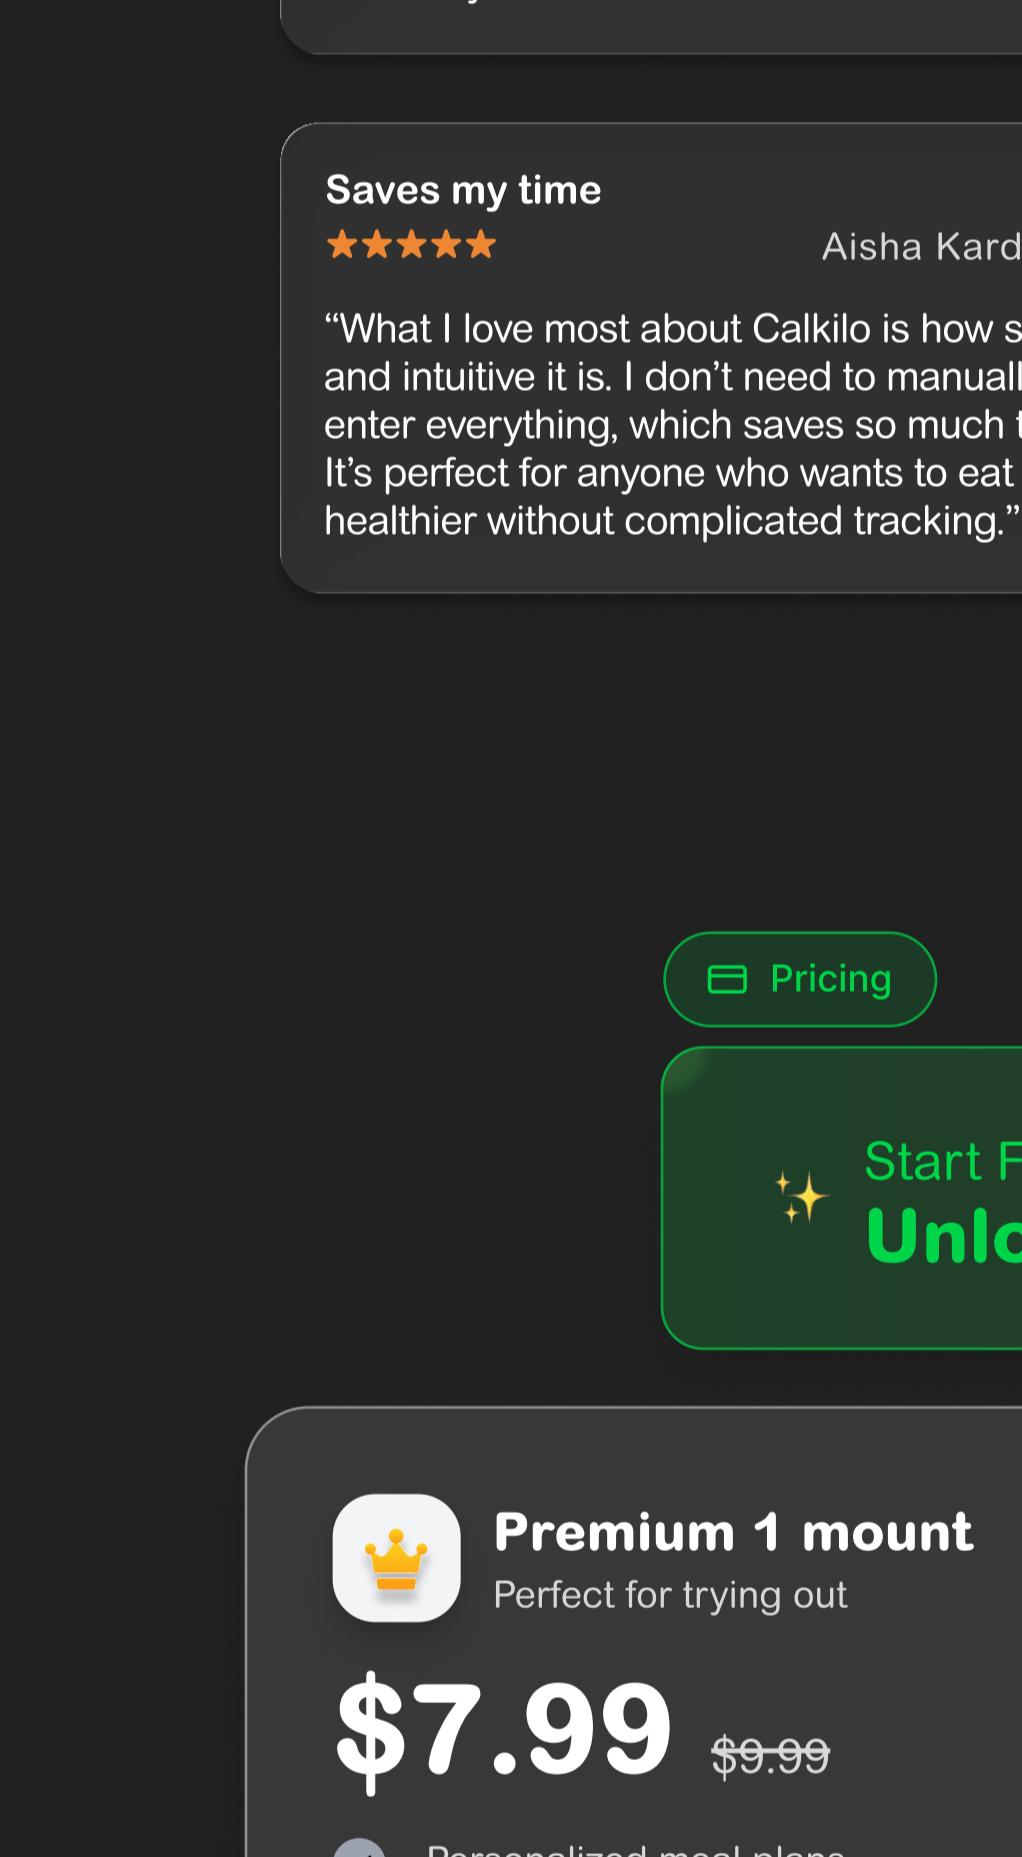

Simply snap a photo of your meal and get instant, accurate calorie calculations powered by advanced computer vision AI.

## Don't forget to replenish the nutrients you need in a day.

## How it Works?

Three simple steps to smarter calorie tracking

## Seamlessly Integrates with Your Devices

Sync with your favorite health and fitness apps for a complete wellness picture

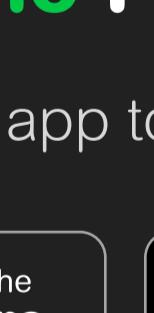

Apple Health

Sync calories, workouts, and health metrics

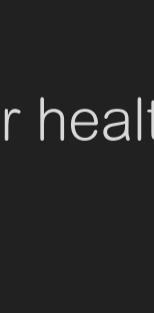

Google Fit

Connect activities and track your daily movement

Fitbit

Automatic activity and exercise tracking

Samsung Health

Complete health data synchronization

## What Are People Saying About Us

Love this app

★★★★★

1 Apr

Omar Taham

"I didn't think a calorie app could be this convenient. Calkilo makes tracking food fast and stress-free. It's helped me improve my eating habits without feeling restricted. Definitely deserves 5 stars."

Very helpful

★★★★★

1 Apr

Maria Santa

"As someone trying to lose weight, Calkilo has been a great asset. It helps me understand portion sizes better and make smarter food choices. The app feels well-designed and user-focused."

Works great for me

★★★★★

1 Apr

Kevin Lovatho

"This app fits perfectly into my daily routine. I use it at work and at home, and it gives me reliable calorie information every time. It's motivating to see my daily intake clearly, and it keeps me accountable."

Saves my time

★★★★★

1 Apr

Aisha Kardashian

"What I love most about Calkilo is how simple and intuitive it is. I don't need to manually enter everything, which saves so much time. It's perfect for anyone who wants to eat healthier without complicated tracking."

Really simple app

★★★★★

1 Apr

David Ralph

I've tried several calorie apps before, but this one is by far the easiest. The interface is clean & I don't feel overwhelmed with too many options. This app helped me stay consistent with my calorie goals, and I can already see progress.

Super easy to use

★★★★★

1 Apr

Sarah Morgan

"I've been using app for a few weeks now & I'm honestly impressed! The calorie estimation is quick and very accurate, especially when I'm busy. It makes tracking my meals feel effortless & I've become more mindful of what I eat."
